TOTALS	24	24		24

Please write your comments regarding the member participant and contribution that you want me to considered:

I feel happy working with my group members for this OOP mini project. Lau and Sabrina were very responsible and always showed up for meetings on time. They shared great ideas during discussions and always completed their parts on time with good quality. We supported each other throughout the project, and everyone was willing to help whenever someone faced any problem. Overall, I think we made a great team, and I'm very proud of what we achieved together.
